

## Evil Multiplies When the Wicked Control

*A pall of evil is hanging over America!*

*Learn why God sends people into captivity to be destroyed!*

Fred R. Coulter—March 13, 2021

Greetings, everyone! Welcome to Sabbath services!

We'll talk about some prophecy today, but let's understand a very important thing. Things are happening right now that have happened in the past.

Ecclesiastes 1:9: "That which has been *is* that which shall be, and that which has been done *is* that which shall be done; and *there is* nothing new under the sun."

What's happening in the world is nothing new under the sun! Everybody knows what Rev. 12:9 says.

Revelation 12 9: "And the great dragon was cast out, the ancient serpent who is called the Devil and Satan, **who is deceiving the whole world...**"

Let's see how thorough that is going to be, and what it is that he is doing is something that has already been done. People have not learned the lesson of history.

Isaiah 25:7: "And He will destroy in this mountain the face of the covering, which covers **all people...**"

What is that? *The spiritual blindness that comes from not obeying God!* All the knowledge in the world is shrouded in lies with a mixture of truth scattered in. But it's going to be so amazing, it's going to be like a covering that covers *some* of the people. **NO!** it says **ALL people!**

"...and the veil that is woven over **all nations.**"

That's the first thing that God is going to have to get rid of, and that's they first thing we're going to have to deal with. But in the meantime, we see it developing here.

In Gen. 11 we see this happening, too. This is a hundred years after Noah and everybody got out of the ark, all the animals and so forth. They were re-instituting the way of Cain on this side of the Flood.

Genesis 11:1: "And the whole earth was of one language and one speech."

Today we're just about there with English, but we are there with computers and technology.

Verse 2: "And it came to pass, as they traveled from the east, they found a plain in the land of Shinar. And they settled there. And they said to

one another, 'Come, let us make bricks and burn them thoroughly.' And they had brick for stone, and they had asphalt for mortar" (vs 2-3).

Of course, this is in what is called the nation of Iraq today. So there was tar oozing out of the ground. When you read the book of Daniel that Shadrach, Meshach and Abednego were cast into the fire, they probably had an apparatus to use the natural gas that was coming out from underground, and they had a big flame there.

Verse 4: "And they said, 'Come, let us build us a city and a tower, *with* its top reaching into the heavens. And let us establish a name for ourselves, lest we be scattered upon the face of the whole earth.'"

They knew that God was going to put them out into areas that God had designated for them. They didn't want to go, so this was rebellion. They were trying to redo what they had on the other side of the Flood.

We're not told how highly sophisticated they were, however, when they lived so long they were probably more sophisticated than we have any idea. Look at what has happened in the last 150 years. Think if that's stretched out to 700-900 years, and everybody has this accumulative knowledge.

Verse 5: "And the LORD came down to see the city and the tower, which the children of men had built. And the LORD said, 'Behold, the people *are* one and they all have one language. And **this is only the beginning of what they will do...**" (vs 5-6).

You see all the scientists talking about developing this and that and the other thing. What is one of the key things they want to do? *Extend human life!* How are they going about it? *With computers, embedded chips, everything they can use to extend life!*

"...**this is only the beginning of what they will do; now nothing, which they have imagined to do, will be restrained from them**" (v 6).

In order for that system that was setup before the Flood to defer it being setup all at once after the Flood, then God decided to change the languages. Can you imagine the first day that all the languages were changed?

Just to give you a comparison. You know English, but how about if the person you were

working with yesterday who also spoke English, now just speaks Mandarin Chinese? *You couldn't understand!* They you went over to this next person and started talking with them, and they were speaking Russian. The next person was speaking some language from somewhere below the sub-Sahara. Then someone else was speaking Eskimo language.

How are you going to do anything? That's what God did! Today, it would be like scrambling every single computer on the face of the earth to where they couldn't communicate with each other. ***God could do that 'just like that'!***

“...**nothing, which they have imagined to do, will be restrained from them.** Come, let Us go down and there confuse their language, so that they cannot understand one another's speech.' So, the LORD scattered them abroad from that place upon the face of all the earth. And they quit building the city” (vs 6-8).

This is why when you read the book *The Two Babylons* by Alexander Hislop {[truthofGod.org](http://truthofGod.org)}. Be prepared to read! There's one thing I want to emphasize: *You must read!* It's very important, because there is so much more information and you don't necessarily get it all on your smart phone. With a regular book, you can mark it.

That's why all the gods—Nimrod, Semiramis and Tamuz, the three: father, mother, son—is in almost every religion of the earth with different names. What do they all have in common, every single one of them? All these religions? *They all have a serpent or dragon!* We're going to see with some things we're going to cover, it's the same today.

First of all, I want to talk about the 'cancel culture.' You hear a lot of that. What is 'cancel culture'? ***Trying to get rid of God! That's the ultimate goal!***

- to change the way people think
- to change the entire sexual orientation of millions of people

They have enough out there now, and they have enough power, and those who are in power in all the states of the United States, and in Washington, D.C., ***that the pall of evil is hanging over America!*** Because when they all had the 'good times' with Pres. Donald Trump, ***they didn't return to God!***

They went back to their pleasures, their own religion and then God has taken it away—which He has! What happened with this election could not

have happened unless ***God made it happen***, through Satan the devil, ***because of our sins!***

- How much longer will it take for the so-called 'Christian' world to repent beginning with all the ministers?
- You've heard me say this how many times?
- How *many, many, many* times?
  - ✓ they are stubborn
  - ✓ they are anti-Christ
  - ✓ they are against God
  - ✓ they don't know how to really conduct themselves
  - ✓ they don't know how to use the Word of God to help the people

*we have:*

- atheism
- witchcraft
- other religions

You're going to see something about other religions, but first of all I want to talk about sexual orientation. Someone sent me this book, which is ***for the second grade! The GayBC's*** by M.L. Webb.

Let me read you the alphabet, not all of it, but what they are teaching little kids and here's a picture of it. Combine this with what they're doing in California. Of course:

- they can't have the Bible in school
- they can't talk about God in school
- it's against the law to have religion taught in school

No, it's not against the law if it's not Christian and it's not the Bible.

They have a program to bring the ancient gods of the Peruvians and Aztecs into the classroom of children in grade school to chant the chantings of the god that kills children, people, the god of human sacrifice.

Before it reaches that point, you must further corrupt their minds and their society. Remember what we read:

Ecclesiastes 1:9: "That which has been *is* that which shall be..."

What is in this book was what was in Sodom and Gomorrah and the other two cities that were destroyed in Gen. 19.

*The GayBC's* by M.L. Webb

**B** is for 'bi'—you can shout it out loud, "I like boys and girls, and that makes me proud!"

**C** is for ‘coming out’—you’re ready to share what you feel deep inside. It’s okay to be scared.

**D** is for ‘drag’—you can strut and dance in the clothes that you love, dresses, heels and pants.

*In other words, boys wearing girls clothing!*

**G** is for ‘gay’...

*Second grade!*

...is a word that applies that you’re girl who likes girls, or a boy who likes boys.

**I** is for ‘intersex’...

I don’t know who sent me this book but whomever it was, *thank you!*

**L** is for ‘lesbian’...

I tell you all you parents out there: ***Whatever it cost you, take your kids out of public school!*** Teach them at home. There are enough websites that they can go from sandbox to PhD without ever leaving the home.

**N** is for non-binary’—you don’t identify just as being a girl or just a being a guy

*Think about what this is doing to the young innocent minds!*

**P** is for ‘pan’—you connect with a vibe no matter the gender; it’s all about what’s inside.

**Q** is for ‘queer’...

**T** is for ‘trans’—it’s a brave step to take to live as the gender you know is innate.

Furthermore, if you’re a girl, the school will take you down to Planned Parenthood and they will give you the chemicals to change your sex! Once that is done it destroys your whole life!

**X** is for you can’t write it down when you don’t prefer to use M or F—male and female

For second graders corralled in the public schools to have their mind twisted and perverted, so that the homosexual community can have young flesh coming into the community, because they don’t reproduce.

**You wonder why God is angry at this nation?** He says:

**If you want sin, I’m going to give you sin all you want! If you don’t love Me freely and you don’t keep My commandments, I’m going to put you under the thumb of tyrants! I’m going to take away everything from you because you never came to Me!**

You say on your money, ‘In God we trust’; but God says, *‘That’s not Me!’ That is Satan the devil!*

Here’s a report: You want to know why it’s so dark in Washington, D.C.? *There are so many evil people in charge and a good number of them, it’s reported, use witchcraft!*

Article #1: **REVENGE OF THE GODS** by Christopher R. Rufo—March 10, 2021  
{<https://christopherrufo.com/revenge-of-the-gods/>}

Next week, the California Department of Education will vote on a new statewide ethnic studies curriculum that advocates for the “decolonization” of American society and elevates Aztec religious symbolism—all in the service of a left-wing political ideology.

See what happens when you have one party in control, ***and it’s not God!*** Who fills in the vacuum? *Satan the devil!* You can’t get them out, because there are too many people in this society who believe like they do.

Do you think you could go into San Francisco and start preaching and get a mass repentance of the homosexuals? *No way!* You would be arrested as soon as someone could report you.

The new program, called the Ethnic Studies Model Curriculum...

*That sounds nice, doesn’t it?*

...seeks to extend the Left’s cultural dominance of California’s public university system, 50 years in the making, to the state’s entire primary and secondary education system, which consists of 10,000 public schools serving a total of 6 million students.

To chant prayers to the god of the Aztecs! They were the ones who had human sacrifice!

What are scientists trying to do? *You’ve heard about the vaccine against the China virus!* It’s made of mRAN, and that is introducing into the systems of people NRA, which may change their genetic makeup *IF* the body does not attack and destroy them.

**Moderna’s Top Scientist On mRNA Technology In COVID Shots: ‘We Are Actually Hacking The Software Of Life’**

Think about what they are going to do! Remember, once it starts, it never stops! Remember that everything is being setup for the return of Christ.

You've heard me say about the seals. I don't know when the first seal was opened, but (speculation): I gave a few thoughts on it, which may have been correct. Here's what's happening.

- When did the ecumenical movement start?
- When did the Catholic Church openly say that they wanted to have ecumenism with the rest of the Christian world?

That was just a start, because the goal is to have ecumenism with all religions. So, where was the pope last week? Who started it? *It goes all the way back to Pope John XXIII!* Then we had after that a couple of other popes, and then Pope John Paul, and then Benedict and he had to retire. He's still a pope sitting up there somewhere in vacation land. Then we have Francis the First. Pope Paul II went all around and was bringing all the Catholics back together. He is the one who helped break down the wall with the Soviets and open up the rest of Europe.

This is an article on Pope Francis on a trip. It was necessary to create a one-world inter-religious system. I think we can safely say that the development of this one-world religion, the first seal has got to have been open, because it's happening wave after wave now.

Revelation 6:1—*first seal*: “And I looked when the Lamb opened one of the seals; and I heard one of the four living creatures say, like the sound of thunder, ‘Come and see.’ And I looked, and behold, *there was* a white horse; and the one who was sitting on it had a bow, and a crown was given to him; and he went out conquering, and to conquer” (vs 1-2).

How are you going to have a bow with no arrows? This shows that this is not a conquest like a war, but this is a pulling together of the religions. Did Pope Frances, as it were, Iraq? *Yes!*

Reading from article on pope Let's see what he said.

[Article #3—Pope Defends Iraqi Trip Despite COVID-19 Risk, Says God Will Provide](https://www.reuters.com/article/pope-iraq-int-idUSKBN2B01GQ) {<https://www.reuters.com/article/pope-iraq-int-idUSKBN2B01GQ>}

Pope Francis said on Monday that he decided to visit Iraq despite a rise in COVID-19 cases after much prayer...

- Who is he praying to?
- Remember Baalim? *He was the high priest of Pethor on the Euphrates River!*

Baalim was in contact with God on this occasion seeking permission to come and curse the children of Israel. To who you how much the will of God is

going to be done, in spite of who's trying to do what, is this:

Baalim was hired by Balak and given lots of money. God originally told him not to go. But he said, ‘Oh, look at all the money. I want all that money. I really need to go, and besides, Balak's minister came to me and said, ‘I'll give you more money, come and curse the children of Israel.’ God said, ‘You can go, but you can't do anything other than what I tell you.’

Think about that! A dedicated worshipper of Satan wants to come and curse the children of Israel. But for himself he wants the money. Balak wants the children of Israel cursed so he can defeat them in a war. So, Baalim goes and God gave him one final warning:

His donkey rebelled and threw him off driving him into a wall and he started beating the donkey and the donkey said, ‘What are you beating me for?’ A donkey talking in a man's voice, probably an angel.

He was told to go, but was told, ‘You can't say anything that I do not tell you to say.’ What did Baalim do? *He got there to Balak who brought him up to a mountain and said, ‘Here's where I want you to curse the children of Israel.’* So, he went up on this mountain, offered some offerings; made it all look really good. He stood up and ***blessed*** Israel! He did this repeatedly, and on one of the sessions he even prophesied of the Messiah!

Think of that! ***The will of God is always going to be done!*** So, Balak was furious and said, ‘I told you to curse.’ Baalim said, ‘I told you that God told me I couldn't say anything that He didn't want me to say. Let's go over to this mountain and try it again. The same thing happened. Balak was really beside himself! He gave Baalim so much wealth and everything that he didn't know what to do. Yet, he was ***blessing, blessing, blessing!***

That tells you something else for today; ***IF the people of America would turn to God there would be blessings*** instead of cursing, but they don't want to do it God's way! So, this is the will of God.

Pope Frances called Ayatollah Ali al-Sistani a ‘Sage’ and that he was a man of God. That's just what the Muslims want to hear. You recognize us as a godly religion. *No! Satan recognizes his own!* Remember where we started? *The pall of the covering of deception that's over all the world!* Look at it; wonder where he's going to go next?

All by itself should tell you everything you need to know about the Roman pope and his plans to launch the one-world religion of Chrislam on this world.

Verse 2: “And I looked, and behold, *there was* a white horse; and the one who was sitting on it had a bow, and a crown was given to him; and he went out conquering, and to conquer.”

Didn't fire an arrow because he didn't need to. Today with weapons, we would say that he didn't shoot a shot, same thing.

Let's come to one more and then we will tie some of this together.

Another article is about Germany is developing a system that they're going to put into their computer system.

We know that Hitler was one of the kings of the North and he was the seventh with the eighth one to come (Rev. 17).

Have you ever watched on the American History Channel all about WWII—they play those things over and over—and see what happened to the whole thing with Hitler? He got blinded by God so that he could not make a right decision. He was lifted up in all of his vanity. They were developing the rockets, atomic bombs and all of that sort of thing. He held in Austria a meeting with all the top generals after the Russians were coming from the east and the allied forces were coming from the west and south.

He convinced them that they would have jet planes, atomic bombs and the rockets to send across the ocean and bomb New York City and they would win in the final analysis. So, They were all deceived by that to continue fighting. At the same time, the allies with Russia decided that they were going to conquer Germany to where there was nothing left. Look at what they did to bomb and bomb and destroy and kill.

Look at what happens and when the Russians came into Berlin to kill everything and everyone, and Hitler committed suicide.

That has to be *the deadly wound* of the system, which now Germany once again is the largest and strongest nation in Europe. They're developing a system which will develop into *the mark of the beast!*

Everything about everyone in Germany, everything that they do... You see, they have a record on everybody if you buy everything on your phone or you're online all the time. They know who you are, where you are, and if you have a smart phone they know where you go, how long you've been there; they know everything about you!

They're setting all that up to record that for every single person in Germany. *That's the start of the mark of the beast!* Wait and see how convenient; remember that Satan gives you

convenience. He doesn't want you to work hard; he'll give you convenience. You can buy, sell and open doors. Without it, you can't buy or sell.

- How are you going to eat?
- What are you going to do?

***This will develop into the complete totalitarian system that's going to control the whole world!***

We need to talk about China, which we will do, but in Europe what's going to happen? The United States will leave Europe on two conditions:

1. if there's enough time and Donald Trump gets elected, he'll bring the troops home
2. if there is not enough time and there's a collapse of the dollar, we can not longer support the troops overseas, and they will come home

One of the two, they're coming home, and guess who is going to fill the vacuum? *Deutschland!*

(break)

In the letter I wrote for February, you will see that I covered the deadly wound that was healed in the system. That's what we just covered, because that was the deadly wound on Germany. That absolutely laid everything low. Now 75 years later, it's coming back.

Revelation 13:1: “And I stood on the sand of the sea... [likened to people] ...and I saw a beast rising up out of the sea, having seven heads and ten horns... [Satan's system] ...and on his horns ten crowns, and upon his heads *the* name of blasphemy. And the beast that I saw was like a leopard, and his feet like *the feet* of a bear, and his mouth like *the* mouth of a lion...” (vs 1-2).

This goes back to all of the systems in the book of Daniel and saying that at the end-time everything is going to be combined in an amalgamation. That ties in with Dan. 9:27 about the last week of the 70-week's prophecy. That's a seven-year period. It will start out with peace for the first three and a half years. It's going to be the Beast Power and the pope together that will make it happen. Then in the middle of the week—BANG!—it's all going to fall apart!

“...and the dragon... [Satan the devil] ...gave him his power, and his throne and great authority” (v 2).

Remember the temptation of Jesus. Look at all of the things that Satan said he would give Jesus. He would let Jesus do miracles to change stone into bread if Jesus would worship him! Satan would give Jesus control of the world, because it was given to him.

Verse 3: “And I saw one of his heads as *if it*

were slain to death... [the Third Reich] ...but his deadly wound was healed... [now beginning to heal] ...and the whole earth was amazed *and* followed the beast... [that's where we get the King of the North coming back] ...And they worshiped the dragon, who gave *his* authority to the beast" (vs 3-4).

Just like Satan told Jesus, 'I'll give You all the this authority and everything combined with it, because it's mine to give it to whomsoever I will.'

"...And they worshiped the beast, saying, 'Who *is* like the beast? Who has the power to make war against him?'" (v 4).

How all of that is going to come together with the details will take some time, but that's where it's headed!

Verse 5: And a mouth speaking great things and blasphemies was given to him; and authority was given to him to continue *for* forty-two months. And he opened his mouth in blasphemy against God, to blaspheme His name, and His tabernacle, and those who dwell in heaven. And he was given *power* to make war against the saints..." (vs 5-7).

We're looking for troublous times to come! We can't have it now that we get faint and weak and give up on God because a few little tough times come. There are going to be some tough, tough times!

"...and to overcome them; and he was given authority over every tribe and language and nation. And **all who dwell on the earth will worship him...**" (vs 7-8)—*the beast!*

He will be declared as '*God*' manifested in the flesh! 2-Thess. says that he's going in the Temple in Jerusalem. By the way:

Sidebar: now the Arabs are putting less emphasis on Jerusalem and saying that the Islamists need to look to Mecca as the Holy City. They're saying that the Jews should have their own temple. That's already happened with the Abraham Accords.

But take it step-by-step as if it's naturally occurring. So, we'll have to see what happens with that.

But they will eventually find the right Temple location and build the Temple there. It won't take them long to do it, because their already doing as much prefabrication as they can, so when they get the go-ahead to do it, it will be done in not too long a time.

**"...all who dwell on the earth will worship him,** whose names have not been written in the Book of Life of the Lamb... [not that Christ was physically] ...slain from *the* foundation of *the* world" (v 8).

But He prophesied His own death right after Adam and Eve. So, since His Word is true and He prophesied it, it's as good as done! That's how God's Word is! Whenever it says *it will be done*, but probably not necessarily in the timeframe that we may think.

Verse 9: "**If anyone has an ear, let him hear.**"

Verse 11: "And I saw another beast rising out of the earth; and he had two horns like a lamb, but spoke like a dragon." *That is the coming world-religion led by the pope!*

Verse 12: "And he exercises all the authority of the first beast before him; and he causes the earth and those who dwell therein to worship the first beast, whose deadly wound was healed. And he performs great wonders..." (vs 12-13).

Remember what Jesus said in Matt. 24? *There shall arise false prophets, and false christs!* There are three false christs out there already; I can remember two of them. One in the Latin community and one in Siberia.

Verse 14: "And he deceives those who dwell on the earth by means of the wonders that were given to him to perform in the sight of the beast, saying to those who dwell on the earth that **they should make an image for the beast**, which had the wound by the sword, yet, was alive. And he was given power to give life to the image of the beast, so that the image of the beast also could speak; **and he causes everyone who will not worship the image of the beast to be killed**" (vs 14-15).

*So, here we have it, calling miracles down; v 13: "And he performs great wonders, so that he even causes fire to come down to the earth from heaven in the sight of men."*

You will be able to watch this on television, and everybody is going to see it. The only time in the history of the world that everyone everywhere in the world can see the same thing at the same time. When they see fire come down, what are they going to say? *Well, Elijah called fire down from heaven, so this has got to be from God!*

They forget the book of Job; Satan called fire down at that point. So, they're going to be deceived. Remember where we started, the covering that covers the whole world.

Verse 16: "And he causes all, the small and the great, and the rich and the poor, and the free and the bond, to receive a mark in their right hands, or in their foreheads."

When this was written there was no way they could understand it. There was not way this could be understood even going back 75 years. ***But***

*now it's easily understood!* The closest you can come to it today is have all of your credit cards and your bank accounts closed. What are you going to buy? *You won't be able to do it!*

Verse 17: "**So that no one may have the ability to buy and sell unless he has the mark, or the name of the beast, or the number of his name.** Here is wisdom. Let the one who has understanding count the number of the beast; for it is a man's number, "and his number is 666" (vs 17-18).

That's the perfection of man in religion, in economics and in technology; 666 all wrapped up in that. They already have in Sweden a chip and use that. In Estonia they have the chip and pretty soon coming in Germany. It's going to be voluntary at first, but later it won't be.

Now let's talk about what's happening in America today. We have a 'cancel culture' that is changing everything! Here's a principle to learn:

- **IF** you don't come to God His way with repentance, with thanksgiving
- **IF** you insist on telling God what to do

*And the biggest thing they tell God what to do is Sunday!*

- Can any man tell God what to do and God must do it? **NO!**
- Why? *If a man told God what to do and God did it, the man would be God, and God would be his servant!*

*Think on that!* We can't tell God what to do; God tells us what to do.

Take all of this Sunday-worship, lack of repentance and abortion—61 million innocent killed—and you wonder why it's getting difficult out there. You wonder why we have all these idiots in Washington, D.C., because ***that's what this nation deserves for leaving God!***

They want to take everything about God away from everybody. Yet, as a nation we sit back and say, 'Oh, we like the blessings.' Listen! One important key: ***You receive no blessings unless you obey!*** It's that simple! ***No obedience, no blessings!***

Here's what they don't like to hear in American Christianity:

Deuteronomy 28:1: "And it shall come to pass, if you shall **hearken diligently...**"—*listen to obey!* You're not going to get anything from God unless you obey.

**"...unto the voice of the LORD your God..."** (v 1).

It's in writing, so there's no doubt. You can't say that you didn't hear. If you're blind, we'll

give you a Braille Bible and you can read it with your fingertips. No one can get away from it.

"...to observe *and* to do **all** His commandments, which I command you today, the LORD your God will set you on high above all nations of the earth" (v 1).

He did it already because of His promise to Abraham! Not that we deserved it, because we didn't. It's because ***God said so!*** If you do this:

Verse 2: "And all these blessings shall come upon you and overtake you **if you will obey the voice of the LORD your God.**" *Then He gives all the blessings:*

- in the city
- in the field
- in your body
- the fruit of the ground
- the fruit of your livestock

What do we have? *Curses everywhere!* They don't like to read beyond v 14:

Verse 15: "And it shall come to pass, **if...**" *He gives a choice!* We have to choose. Our free moral agency we must choose God's way.

"...you will not hearken to the voice of the LORD your God to observe and to do **all** His commandments..." (v 15). *Lord, we do nine, isn't that good enough?*

"...and His statutes which I command you today, **all** these curses shall come upon you and overtake you" (v 15).

- Do we have a lot of those things coming upon us and overtaking us today?
- Things that you didn't think would happen?
- *Yes, indeed!*

Verse 16: "Cursed *shall you be* in the city..." *Look at every one of our major cities:* Chicago, Baltimore, New York, Portland, Seattle, Minneapolis, Los Angeles! That's just the start!

"...and cursed *shall you be* in the field" (v 16). *Whatever is good there China is going to buy!*

Verse 17: "Cursed *shall be* your basket and your store. Cursed *shall be* the fruit of your body..." (vs 17-18).

How many difficulties do we have with children being born not normal?

"...and the fruit of your land, the increase of your livestock, and the flocks of your sheep. Cursed *shall you be* when you come in, and cursed *shall you be* when you go out" (vs 18-19).

There comes a time that nothing works out! Isn't that what's happening in Washington, D.C., right now? With five votes in the House of Representatives, and one vote in the Senate, ***they're changing the culture of America, because America has left God!***

***America has killed 62-million unborn!*** Yet, the Constitution—which was written by the founders—says ***the right to life!*** They kill the most innocent!

Verse 20: **"The LORD shall send on you cursing, vexation, and rebuke in all that you set your hand to do until you are destroyed, and until you perish quickly, 'because of the wickedness of your doings by which you have forsaken Me.'"**

Then He lists all the kinds of sickness and disease! What do you see on television all the time? Who are you to go to see in case anything doesn't work out? *Your doctor!*

- not pray to God
- not taught how to take care of yourself
- most farmers are not taught how to raise food without all the inorganic chemicals to put on it
- they don't rest the land

*So, it's going to come!*

- Remember when God sent the Jews off to Babylon for captivity?
- How long did He say that they would be there? *70 years until the land had its rest!*
- What do you think it's going to be like here?

You need to understand! A lot of people don't like to hear things that are not good, ***but this is good in the sense if it wakes you up so that you repent! But if you don't—remember it's IF—it's going to come! God said it would come!***

Verse 41: "You shall beget sons and daughters, but you shall not enjoy them..."

What a statement that is with the way it is families today, and through the cell phone and computer. ***You have Satan coming right into the very minds of your own children and he takes them away from you!***

- they don't want to listen to you
- they don't want obey you
- they don't want to anything about God

*But their idol they carry with them, in their hands!*

"...for **they shall go into captivity**" (v 41)—*and that's what's going to happen!* Captivity

comes two ways:

1. you're captive by Satan to sex, drugs and perversion
2. when the enemy comes and they take you away

*That will happen!*

Verse 43—*happening right now, see it on the news every day and channel:* "The stranger dwelling among you **shall get up above you very high...**"

That's what the 'cancel culture' de-colonization is. What are they telling people now? *Your whiteness is a sin!*

"...and you shall come down **very low**" (v 43).

How is that going to be done? *Through Black Lives Matter, ANTIFA, and others to come along!* If you get one or both, others will arise, because God said that it would happen!

The only thing that can defer it, or hold it back, is ***repentance!*** That repentance has got to start in the so-called Christian churches of this world *first!* It's got to be followed through with the Churches of God *next!*

Verse 44: "He shall loan to you..."

Wait until the dollar collapses, and they're building it up so it will collapse. When it collapses it will be suddenly! Everything! People are going to scurry around and say, 'Oh, I should have done this, that or the other thing.' Look, be smart and have yourself enough food and water to survive for a while.

If you have gangs of people armed coming and closing down the major highways and rail lines, they can cutoff all commerce at once! Think about what's going to happen!

"...He shall be the head, and you shall be the tail" (v 44).

That's going on right now. Watch the ads! How many other nationalities, and especially China is behind a lot of them. All you have to do is look at the 'happy' Chinese family. That's because China is paying someone somewhere for these ads so that you will know that the Chinese are 'happy' people.

Verse 45: "And **all these curses shall...** [not maybe, not perhaps] **...come on you,** and shall pursue you and overtake you, until you are destroyed, **because you did not obey the voice of the LORD your God to keep His commandments and His statutes, which He commanded you.**"

People will say, 'That's just for the Old Testament, that doesn't apply to us today.' Read on:

Verse 46: “And they shall be on you for a sign and for a wonder, and on your seed forever.”

If there is any one of you who are out there in ‘videoland’ that do not have the book: *America and Britain: Two Nations That Changed the World* by Philip Neal, you need to write for it so you can understand who America really is. We are the descendants of the ten tribes—so-called lost, but never lost by God—of Israel. Of such He says:

Verse 47: **Because you did not serve the LORD your God with joyfulness and with gladness of heart for the abundance of all things,** therefore, you shall serve your enemies, which the LORD shall send against you in hunger, and in thirst, and in nakedness, and in the want of all things. And he shall put a yoke of iron on your neck until he has destroyed you. **The LORD shall bring a nation against you from afar,** from the end of the earth as the eagle flies, a nation whose language you shall not understand” (vs 47-49).

The next time you watch on television where it shows the Chinese troops marching, you can see that they’re ready. God is raising up China because He’s going to take care of them as the last thing before Christ returns. But they, along with the beast in Europe are going to rule the world! ***They are the instrument of destruction that God has raised up because we wouldn’t love God and keep His commandments!***

- that’s why they’re doing what they are doing
- that’s why nothing is changing to turn them back

Think about it! Most of the money that is used for loans for real estate comes through companies in America—funded second or third hand—from China! So, guess who will own all the houses and property? They will come and say that ‘your loan; get out!’ *I have no place to go! ‘GO!’*

Verse 51: “And he shall eat the fruit of your livestock... [we sell more to China than anybody else] ...and the fruit of your land, **until you are destroyed.** He shall not leave you grain, wine, or oil, neither the increase of your livestock, or flocks of your sheep until he has destroyed you. And he shall besiege you within all your gates...” (vs 51-52). **How are we besieged now?**

- hightech thievery
- lying
- cheating
- stealing
- taking

*Everything, and they can’t stop them! Why? Because God said that it would happen!*

“...until your high and fortified walls in which you trusted come down throughout all the land. And he shall besiege you within all your gates throughout all your land, which the LORD your God has given you” (v 52).

Those are tough words! People don’t like to hear the tough words! It’s hard! It’s difficult! But you say, ‘Oh, why are you so hard? Preach to us smooth things!’ ***That’s not what God says!***

I hope this message today will get out beyond the normal things that normally happen. ***Here’s what God says:***

Isaiah 58:1: “**Cry aloud, do not spare, lift up your voice like a ram’s horn, and show My people their transgression, and the house of Jacob their sins.**... [Isn’t that what we’re suppose to do?] ...Yet, they seek Me daily... [they’re flattering God (Psa. 78)] ...and seem eager to know My ways, as a nation that did righteousness, and one that did not forget the ordinance of their God. They ask of Me the ordinances of justice; they seem eager to draw near to God. *They say,* .Why have we fasted, and You do not see? Why have we afflicted our soul and You take no knowledge?. Behold, in the day of your fast you pursue your business and exploit all your workers.” (vs 1-3).

Is it possible that there could be enough repentance among enough people, among the Churches of God, to maybe delay things for a while? Who knows? ***We don’t know because it’s all IF! All conditional!***

Isaiah 59:1—*here’s where we are:* “Behold, the LORD’S hand is not shortened that it cannot save, nor is His ear heavy that it cannot hear. But **your iniquities have come between you and your God, and your sins have hid His face from you, that He will not hear**” (vs 1-2).

What did He say at the beginning of Deut. 28? **IF** you will diligently hearken to the voice of the Lord your God to do ALL His commandments! No, they only want to enough so the pressure is off. Well, the time is coming that is no longer available!

Verse 3: “For your hands are defiled with blood... [of 62-million abortions] ...and your fingers with iniquity... [GayBCs] ...your lips have spoken lies... [Washington, D.C.] ...your tongue has muttered perverseness. None calls for justice, nor does anyone plead for Truth; they trust in vanity and speak lies. They conceive mischief and bring forth iniquity” (vs 3-4).

***They’re blinded! They really don’t know what’s happening!***

Take what I’ve done with this message today and you think about it, and as you watch your

television, flick back and forth from channel to channel.

- What is on it?
- What is being broadcast?
- What is the mood of indoctrination that is coming upon all people, starting with little kids?

Do yourself a favor and look at the cartoons. **Don't let your kids watch cartoons!**

What was the first cartoon for transvestitism? *Bugs Bunny, dressed up like a woman!* 'Oh, but that was funny!' *Indoctrination one vision at a time! That's how Satan does it!* Now look on the channels! Stop and think: on the Internet you've got the perverseness of all sexual perversion out in the open for anyone to see.

- Who sees it first?
- Who knows the destruction of it? *God does!*
- Do you want to know why God sends people into captivity to be destroyed?

***Because they're actively destroying themselves spiritually, mentally and emotionally by the way they're living and teaching their children, and running the country!***

That's a judgment only God can make, but it's going to happen.

I'm sure that there are some people saying, 'When are you going to end, Fred.' Well I'm going to end here in just a minute. But, I've been thinking on this a long time, looking at everything that's taking place and seeing what's coming to pass; watching and seeing how they're being developed, keeping right in with the Bible and what is happening.

I don't want to get carried away with any stupidity that comes along of anything that I will do myself. ***IF*** I don't speak the words of God and speak them so that they're understood ***THEN*** I have failed!

Whatever happen, and whatever I speak, I'm only an instrument and tool to do it. I take no credit for myself, because ***IF*** it doesn't come from God ***THEN*** it doesn't matter.

So, sorry to have to be so heavy and hard today, but we've got to understand what is coming and understand how it's going to come. ***We need to know that every word of God is true and it's going to come to pass!***
