

Lazarus and The Rich Man Satanic Future

Facing the horrific things coming!
Fred R. Coulter—July 17, 2021

Greetings, everyone! Welcome to Sabbath services!

Today we're going to cover some very important topics, especially after the first 20 minutes. We're going to cover some very interesting thing in prophecy.

New Book

On Tuesday the expanded second edition of *God's Plan for Mankind Revealed by His Sabbath and Holy Days* will be finished printing. In order to get your copy, if you are on the mailing list you don't have to ask for it; it will be mailed to you directly from Unit Packaging.

Vaccine Packet

They're making a big push to try and force everyone to take the Wuhan Virus vaccine. We have a special packet, about 50 pages, with lots of information in it, and every single one through the years—and we've added new information for the Wuhan Virus—many have gotten out of having to take the vaccine. If you need one, call the office or e-mail us and we'll print it out for you and I'll sign it and mail it to you. It does not come automatically.

To get it you must be on the mailing list. The reason is because the letter states that you are a member of CBCG. If you're just on digital you're going to have to get on the mailing list, because if anyone comes back and says, 'What's the proof that this person is a member?' *Right here on the list!*

Just recently they found a naturopath who was signing slips that the individuals had their vaccination (when they didn't). Well, shouldn't do that. Now he's going to be prosecuted.

We have everything on there about all of the problems of vaccines, not only for the China Virus, but for other ones. What they're made from, reactions, and there are a number of deaths from people taking the vaccines. They've got that report in there. It covers everything.

You don't need to take the vaccine! If you have taken it, I hope that nothing happens to you. There are questions about it, which are very disturbing. They say that there are nano-magnetic particles that's in the vaccine and it goes throughout your whole body.

The question is: Will your body be able to expel those nano-magnetic particles? Or will they clump together in one spot and maybe cause you to have disease? *Nobody knows because this vaccine is experimental!* Remember the term experimental!

Who knows what that will lead to? We'll have to wait and find out how that's going to come about.

Lazarus & the Rich Man

There are three places in the *King James Version* that makes it appear like there is a 'hell' and two of them have to do with fire.

The first one is in Matt. 16 and we've covered that, where Jesus said that He would build His Church on the Rock, Himself, the 'Cornerstone' of the building. And the *gates of the grave*—gates of hell (*KJV*)—shall not prevail against it.

The Greek word there is 'hades' and a lot of the theologians read the ancient pagan's interpretation of 'hades' and makes the same judgment of the Biblical term 'hades.' It merely means *grave!*

This is one of the reason that you need to get *the Holy Bible in It's Original Order, A Faithful Version*, because you do not know how many errors that there are in the *King James Version*. You won't realize that until you get the *Faithful Version*.

The second one—Rev. 20—is a little problematic and you can pull this out with anyone you might be discussing this with who believe in 'hell.'

Revelation 20:14 (*KJV*): "And death and hell were cast into the lake of fire...."

- If 'hell' is a place of ever-burning fire how is hell tossed into the Lake of Fire?
- What's the purpose of that?

Makes no sense! It should read:

FV: 14: "And death and the grave were cast into the Lake of Fire...."

The third one looks like there is a hell that's ever-burning. It's important for us to understand that with the outline of the Holy Days and the timing of them we can correctly understand:

Luke 16:19: “Now, there was a certain rich man, and he was clothed in purple... [showing he was at the highest level of luxury] ...and fine linen, and daily indulged himself in luxury. And there was a certain poor man named Lazarus, who was laid at his porch, full of sores. And he longed to be nourished with the crumbs that fell from the rich man’s table; and the dogs even came and licked his sores” (vs 19-21).

That probably did him a lot of good, but it tells you that there are lot of pitiful people in the world, and the rich people in the world don’t care two cents about any of them. If they cared, big tech up in Silicone Valley would be taking care of all the homeless in San Jose and San Francisco free, because they make billions and billions of dollars! It would be nothing for them.

Verse 22: “Now, it came to pass *that* the poor man died...”

It looks like he goes to heaven; but when you die you go to a grave. It doesn’t say that he went to a grave.

“...and he was carried away by the angels into Abraham’s bosom...” (v 22). *That looks like going to heaven, but it’s not!*

- When will Abraham be resurrected? *At the first resurrection!*
- What did Jesus say about ascending to heaven? *No one has ascended to heaven but He Who came down from heaven!*

Therefore, since Abraham was before Jesus said that statement, Abraham could not have gone to heaven, because **no one has ascended to heaven!**

- Who is the only One Who has ascended to heaven? *Jesus Christ Who was raised from the dead! He ascended on the Wave Sheaf Offering Day.*
- What does it say about the rest of the dead? *Those who are Christ’s at His coming!*

Lazarus could not have been carried away to Abraham until the first resurrection, which has not yet occurred.

Also, it shows that the ‘poor man’ was raised from the dead and entered the Kingdom of God and was in the bosom of Abraham.

What did Paul write about Abraham and those who are Christ’s? **IF you are Christ’s THEN you are Abraham’s seed, the spiritual seed, and heirs according to the promise!** There were two promises:

1. physical seed
2. spiritual seed

The spiritual seed are raised from the dead!

What did Jesus say happens at the resurrection in Matt. 24)? *The angels will carry them, and as we know, up to the Sea of Glass!*

Verse 22: “Now, it came to pass *that* the poor man died and he was carried away by the angels into Abraham’s bosom.... [at the first resurrection, otherwise he wouldn’t be there] ...And the rich man also died and was buried. And in the **grave...**” (vs 22-23).

It says ‘hell’ in the *KIV*, which is wrong; it says that he was *buried!* His next thought—still in the grave—but out of it somewhat:

“...he lifted up his eyes and was in torment...” (v 23). Why was he in torment? *Because for the first time he really understood that ‘hey, I didn’t make it!’*

“...for he saw Abraham afar off, and Lazarus in his bosom” (v 23).

That’s going to happen to everyone who is raised for the second death, cast into the Lake of Fire, ***which is the second death!*** That’s why he was tormented, he was raised, and what did he see out there? *The Lake of Fire!*

Verse 24: “And he cried out *and* said, ‘Father Abraham, have compassion on me and send Lazarus, so that he may dip the tip of his finger in water and cool my tongue; for I am suffering because of this flame.’” *Yes, you would!*

When are the wicked cast into the Lake of Fire? *After everything is finished with the righteous (Rev. 20)!* That’s what this is here.

Verse 25: “Then Abraham said, ‘Child, remember that in your lifetime you received good things to the full, and likewise Lazarus evil things. But now **he is comforted, and you are suffering.**”

- What does it say in Matt. 5 about comfort? *Blessed are those who mourn, for they shall be comforted!*
- What is the greatest comfort that people like that are going to have when they’re resurrected?

Verse 26: “And besides all these things, between us and you a great chasm has been fixed...”

There’s a great division between physical life and spiritual life. That shows that the ‘rich man’ was raised back to a second physical life. This whole episode proves ***two resurrections***, as well as the phrase in Rev. 20, ‘the rest of the dead live not again until the thousand years were finished.’

“...so that those who desire to pass from here to you are not able, nor can those from there pass to us” (v 26). *In the second resurrection there are two categories:*

1. those who have not sinned the *unpardonable sin*; they’ll be raised first
2. all of the wicked will be raised together and they’ll all stand right there at the Lake of Fire and God will pronounce their judgment to them, and they will be all cast into the Lake of Fire at the same time

Verse 26: “And besides all these things, between us and you a great chasm has been fixed so that those who desire to pass from here to you are **not able**...”

The only spirit being that was able to become a human being was Jesus Christ. None of the angels can. Some can appear like humans, but they can’t pass and be human. *They don’t have the power!*

“...nor can those from there pass to us” (v 26). *The only way you’re going have life is...*

What did Jesus say? ***I am the Way and the Truth and the Life, and no one can come to the Father except through Me!***

Here is his last ditch attempt; v 27: “And he said, ‘I beseech you then, father, that you would send him [Lazarus] to my father’s house, for I have five brothers; so that he may earnestly testify to them, in order that they also may not come to this place of torment’” (vs 27-28).

Now listen carefully, and when I read this remember that there are 356 places that talk about Jesus Christ in the Old Testament.

Verse 29: “Abraham said to him, ‘They have used Moses and the prophets. Let them hear them.’ But he said, ‘No, Father Abraham, but if one from *the dead* would go to them, they would repent.’ And he said to him, “If they will not hear Moses and the prophets, they would not be persuaded even if one rose from *the dead*”” (vs 29-31). *Showing you must have the Old Testament and the New Testament!*

With the knowledge of the Holy Days, you can take a Scripture like that—which you must know the Holy Days and the sequence—and if you just bring it up to a Protestant and not explain it beyond that, they would still be convinced that they go to heaven.

John 5:36: “But I have a greater witness than John’s; for the works that the Father gave Me to complete...” **What are the Four Completions of Jesus?**

1. preaching the Gospel
2. crucifixion and raised by the power of the Father
3. when the 7th of the 7 last plagues is poured out, it says that it’s finished
4. Rev. 21—where Jesus says it is done

Verse 37: “And the Father Himself, Who sent Me, has borne witness of Me. You have neither heard His voice nor seen His form at any time. And **you do not have His Word dwelling in you...**” (vs 37-38).

Very important thing! We will see that this ties in with Moses. ***You must have the Word of God dwelling in you, in your mind!*** That’s why:

- prayer,
- study
- God’s Holy Spirit
- Christ writing the things in our mind

That is the conversion!

“...for **you do not believe Him Whom He has sent**.... [you must believe on the Father] ...You search the Scriptures...” (vs 38-39).

What Scriptures did they have at the time that Jesus was speaking? *Not one word of the New Testament was written, but Moses, the Prophets and the Psalms was all they had!*

“...for in them **you think** that you have eternal life...” (v 39).

The Jews today think the same thing! But they ***refuse***—with the exception of Messianic Jews—to believe in Jesus. Even the Messianic Jews have some traditions that they have to get rid of in order to make their belief complete.

“...and they are the ones that testify of Me. But you are unwilling to come to Me, that you may have life. I do not receive glory from men; but **I have known you, that you do not have the love of God in yourselves**” (vs 39-42).

Everything that you have concerning the Bible; everything that we study has to be undergirded by the love of God to us and our love to Him. That’s the whole story!

Verse 43: “I have come in My Father’s name, and you do not receive Me...”

Think about how many healings there were. Why didn’t they receive Him? *Because He didn’t come and join them!* That’s why! They were looking for the Messiah to come and join them, then they would get rid of the Romans. That’s what they were looking for. *But He didn’t!*

“...*but* if another comes in his own name, you will receive him. How are you able to believe, you who receive glory from one another, and do not seek the glory that *comes* from the only God? Do not think that **I will accuse you** to the Father. There is *one* who accuses you....” (vs 43-45)—*present tense in the Greek! In other words, Moses is still active!*

- Are the commandments of God still active?
Yes!
- If we transgress them, is that sin? *Yes!*
- If we go against them, is that against God?
Yes!

“...There is *one* who accuses you, *even* Moses, in whom you have hope. But if you believed Moses... [ties right in where we left off with Lazarus^[transcriber's correction] and the rich man] ...you would have believed Me; for he wrote about Me. And if you do not believe his writings, how shall you believe My words?” (vs 45-47).

That's some pretty powerful things to consider!

Satanic Future:

Now, we're going to completely change and we are going to look at some things that are happening contemporarily and also as they affect prophecy.

If you watched the news last night, there was a very good thing on the news where Tucker Carlson was going through and covered most of what Hunter Biden has done.

- Why is he not prosecuted?
- Why is the President not hauled in for questioning?
- Why is 'big tech' allowed to shut us down?

Trump's lawsuit has tens of thousands already joining in a class action suit.

- Why is all of this going on?
- Why was the election stolen?
- Are they going to decertify?

They found out so much fraud in Arizona that the Republican Party is moving to decertify! If they decertify the election, and they have to accept the new findings, then that gets rid of one democrat senator, which is necessary. *So, here's why*, and we don't know it; it's so clever, shifty, underhanded and powerful and thorough that it's unbelievable.

Article: **With the CCP now controlling everything, Americans are living under foreign ENEMY occupation** by Mike Adams
June 29, 20221

{<https://mainerepublicemailreport.com/2021/06/29/the-ccp-controls-everything-americans-are-now-living-under-enemy-occupation/>}

Still jailed are those who were arrested on Jan. 6 inside the Capitol building. Still in jail with no representation, no lawyer.

Biden will do nothing and Matt Garland will do nothing because he's nothing but a lackey. Yet, Obama wanted to put him on the Supreme court. He's probably one of the worst judges in all the judges that are up that high. He won't do anything. Biden won't do anything.

But they keep them in jail! The guy that had the horns, he's in solitary confinement! Why? Here's why:

We're no longer living in "America." What used to be America is now a nation under enemy occupation, ruled by authoritarian tyrants who were installed through election fraud and whose loyalty rests with the CCP (Chinese Communist Party)....

They paid money, money, money and they own Biden! They own the tech companies, because they see the big market in China. All they're interested in is money. They need to be in a special category, because they produce no goods.

If you have a smart phone you pay every month. What do you get back in the service other than access to their microwave system? *You don't!* it's not like a factory that makes a product, puts it together and sells it. Then it has a profit.

These people—the tech companies—get all of this money after their initial investment *free!* They don't have to buy any more goods. They may have to put up some towers, but that will make them more money. They need to be in a different category, and as far as I'm concerned they need to be taxed 75% of income in their special category, because they produce no viable product. *They produce a service!*

Once they get everything installed, they don't have to pay much except a little maintenance. Think of all the people who have all their phones, all the people worldwide.

All of those they're looking at in China. Here's how they did it. Those authoritarian rulers:

...were installed through election fraud, whose loyalty rests with the CCP (Chinese Communist Party). The Big Tech corporations all work for China, too, and the censorship they pursue in the USA mirrors the anti-freedom censorship of communist China.

The CCP's goal...

Here it is; you think about it! I'm going to bring up something a little later about what they're working on, ***that's going to make it even worse for the whole world.***

...for America is the complete extermination every living American person...

That's what they're doing through drugs. But this last year, 90,000 from Fentanyl overdose. Where does that come from? *Manufactured by China!*

- Why do all these things come down upon us? We'll talk about that.
- Do you hate being ruled by liars and authoritarians?

God hates having ministers teaching lies every day! Every Sunday! Every Halloween, Christmas, Easter and New Years! ***Lies! Lies! Lies! In the name of Christ!***

So, God has said, 'All right, I'm going to fill you will nothing but lies! I'm going to put in office liars, cheats and thieves, because that's what all the religious authorities claiming to be Christian are. Read John 10; ***they're thieves and robbers!*** That's why we have it!

Then on top of that, *abortion!* I can't say it enough: 62 million have been killed! ***That is the worst of the innocent blood that hangs on this nation!*** You can't come and have a little massage of the problem on the side and say to God, 'We're taking care of it!'

They have got to setup repentance for all of these derelict ministers and they know better. They know which day is the Sabbath. They know that all their holidays are lies. So, God sent the Chinese. How do you like that? ***Now they're treating us like the ministers treat God! That's God's judgment!***

...followed by the occupation of the continental United States, transforming the nation into an agricultural food producer to feed the communist regime in China....

And the billions they have there! We will go into captivity, but that captivity will be first inside America!

...The CCP has paid off the Bidens, most governors, and nearly all Democrats to take part in this total destruction of America....

Look at everything they're proposing, and everything they're proposing is to destroy! Why? ***Because those who are true Christians never really challenged those preachers! You never got up in their face to make them quit lying!*** I mean, it's

something. I watch the news and see this all the time!

...And the next phase involves nationwide gun confiscation, followed by a land invasion run by the PLA.

Now, here's what's going to make it worse. What was the great mistake of the British Empire? What was the tea company called? *British East India Tea Co.*

When they were expanding the British Empire, they conquered India and Afghanistan, and what did they find in Afghanistan? *Opium!* So, they decided the way to control China is to sell them opium. That was the official policy of the British Empire. When God was expanding them to fulfill the promise that was given in Gen. 49, *a company of nations.* They taught the English, but they didn't teach them about God. So, they said, 'Well, we'll control them and they doped as much through opium as they could of all of China. China forgot that it was America that rescued them from that.

So, the Chinese have never forgotten what the British have done, and they look at it as all the Caucasians. Guess what's going to happen. The United States is pulling out of Afghanistan.

About 20 years ago I have a message about the Khyber Pass, which runs a little part of China on the very northern tip of Pakistan and touches an area in Afghanistan and is the gateway west. That's where the Silk Road went. They had a northern route and they had a southern route.

When the United States pulls out of Afghanistan guess who's going to move in and take control? *China!* Guess what they will own? *In addition to precious metals and things in Afghanistan...* What that will do, that will make a complete bridge all the way from China clear up to the border of Iraq.

They also are putting naval bases in the Indian Ocean leading up to that, as well, in Pakistan and Iran; big naval bases.

Once they go into Afghanistan they are going to make heroin, opium and fentanyl in greater and greater quantities, and this nation is going to come down in a way that they will have never contemplated. ***It will leave us helpless and weak!***

They're going to flood this nation with so many drugs! What is coming in now is awful, but it's going to get worse. There may be a little reprieve if Trump may somehow get back in and close down the borders. That will solve a little bit, but unless he can solve the abortion problem and the drug problem it's going to only give a little space of time.

(break@43:27)

We've got a lot of things to cover, a lot of things to look at. Let's see some of the things concerning the **mark of the beast!** I remember when I gave the first sermon when they had the Digital Angel that they would inject under the skin. I said, 'The *mark of the beast* has arrived!' Everybody was all excited and I got letters and people wrote and everything. And I said, 'It's just the beginning.'

By the time it comes to the *mark of the beast* it's going to be commonplace already. There are over 30 different applications that they have now. That is the use of a chip, or the use of a electronic devices. I've a got a whole list; I'll just read some of them:

- Biochip Implants
- Biochips To Transform Treatment of Disease
- Brain Machine Interface
- Brain Power May Give Motion Control
- Chip For Your Thoughts

No longer is it a 'chip on your shoulder'; it's chip on your thoughts!

- Chip Implants
there're four or five of those
- Chip Would Restore Sight
- Guardian Angel Chip
- Human ID Implant To Be Unveiled Soon

Can you think of anything you see on television with the ads that is a forerunner that is getting closer and closer to the *mark of the beast*? Anything you see on television as a forerunner?

Some of you may even have it! If you have a smart phone you can just click two smart phones together and transfer money. Likewise when you go to make a transaction; you don't have to sign anything, you just take your card and touch the monitor and the transaction goes through.

In Sweden they have had implants; also in Estonia, which is one of the most digitally oriented economic systems in the world.

So, it's already here! People get used to it! They won't think anything about it. But what they're not telling you is this: What else do they have once you get it that they don't tell you anything about. That is ***they can know who you are, where you are and everything you do!***

- Plastic Chips
- Brain Machines
- What Will the Future Hold

They have chips that go *under the skin*, tattoos that go *on the skin*, tattoos you can see and tattoos you can't see.

- Microwave RFID Pan Option Corporation safe lifetime monitoring health and civilian implantation

In other words, you become something you're not. That's why God doesn't want you to take it. I read that, and what I just read here is 'kindergarten.' What else are the planning to do? *Let's read what Jesus said!*

Mark 13:19: "For *in* those days shall be great tribulation, **such as has not been the like from the beginning of the creation** that God created until this time, nor ever shall be *again*."

Think of that and think about these things that they are doing. There's a lot of stuff going on at very high levels that we don't know anything about, that they'll spring upon us, and all of a sudden it's here, and you won't know what to do. Here's part of the good news:

Verse 20: "And unless *the* Lord had **limited** the days..." *The KJV says 'cut short'!* That's not true, it means *limited*.

"...so flesh would be saved..." (v 20). *That has to with:*

- war
- hightech
- plagues and pestilence
- martyrdom

all of those things combined!

"...but for the sake of the elect..." (v 20).

I want you to understand ***how important it is for you and me***—every one of us; the elders, all the members—***to stay close to God every day!*** Pray and study ***and ask God for strength***, because it's going to come!

"...but for the sake of the elect **whom He has chosen**..." (v 20). *Never forget, regardless of how bad it is for you!* Some people have it really, really bad. Pray for them even if you don't know them by name or anything; you can still pray for them and say:

O Lord God, all of Your brethren who are sick, down, depressed, and need help; *help them! Raise them up! Be with them! Place angels about them!*

God will hear! We've got to pray for one another. How bad is going to get?

Jesus said, '*As it was in the days of Noah before the Flood, so shall it be in the days of the coming of the Son of man.*'

How bad was it? Remember that when

human beings think that they have something good, and it's really evil, they still think it's good. We're seeing that with this chip. Not only that, we're going to talk about something even more invasive and dangerous than a chip.

The only way we know what it was like before the Flood is by looking at what it is today. Stop and think for a minute! People have poo-pooed the idea that Noah was 120 years building the ark; that's not true. You cannot have a wooden ark 120-years-old go through the Flood and take all the waves and all the battering and beating that would take place.

- Do we have power today? *Yes!*
- Did they have power back then? *Had to have, because we have it today!*
- Could Noah have had power tools to build the ark?

I mean, it's a big thing! There was never anything that big built by man to go in the water until WWII. It had to be precise! You couldn't have any leaks, joints coming apart; he had to have power tools, and it didn't take 120 years to build it.

Now here's where we are; watch the news and see if there's anything really, really good on the news. Once in a while a wee, little bit.

Genesis 6:5: “And the LORD saw that the **wickedness of man was great** on the earth, and **every imagination of the thoughts of his heart was only evil continually.**”

It takes a lot for God to repent; He was sorrowful; v 6: “And the LORD repented... [or regretted] ...that He had made man on the earth, and He was grieved in His heart.”

When you have free moral agency and you don't interfere to stop it, where will it go when Satan the devil is around? *Exactly where it's going today!*

Why did God do this? v 7: “And the LORD said, ‘I will destroy man whom I have created from the face of the earth, both man and beast, and the crawling thing, and the fowl of the air; **for I repent that I have made them.**’” *Think about how bad it is today!*

Verse 8: “But Noah found grace in the eyes of the LORD. *These are the generations of Noah....*” (vs 8-9)—or the genealogy!

Stop and think! There had to be a reason why God destroyed all mankind, except eight, and why God had to send the animals to Noah to go into the ark. **Animals that God personally selected!** I'll tell you why: **genetic engineering in animals and in humans!** I want you to think about this:

Article: **Evil Reigns: Human Animal Hybrids** {note that this has been taken down from the Internet}

Senate approves billions of dollars for their chilling creation.

*It's not just a thought out into the future; it is **now!***

How many basketball players or parents of future basketball players would like to have a kangaroo gene given to their sons, so they would be the best leapers and jumpers in the world? No one could stop them on the basketball court. How many parents would say, ‘Yeah, do that! That will be good, you'll get millions and millions of dollars.’

Human/animal hybrids: Senate approves billions of dollars for their chilling creation. The bill called *The Endless Frontier Act* was introduced by Senator Majority Leader Chuck Schumer, according to lifeset.

Senator James Langford of Oklahoma, Republican, referred to the ethical incompatibility and the need to establish clear definitions on the matter in attitude of submission to international competition.

We shouldn't need to clarify a law that creating animal/human hybrids—or ‘chimeras’—is ethically unthinkable, but sadly the need for that very clear distinction has arrived.

Senator Danes said, “In trying to compete with China...”

Because the argument already is, *if we don't they will!* But China is already years ahead of Americans. Why? Have you heard what they're collecting worldwide? *DNA specimens from as many people in as many countries as possible!* What do you think for?

Think about what they're doing to the Muslims over in the western province of China. They're sterilizing them so they won't have children. If you can have DNA interference with human beings and make them do what you want to do, what a tool in a conquering nation. Think about what Hitler was trying to do.

In trying to compete with China, we shouldn't become like them. It's critical that we draw a bright line against unethical forms of research that fail to recognize the distinct value of humans over animals.

Trump outlawed it when he was President! There are still a lot of people—even in the Church—that hate

Trump. Well, how do you love Biden? Go give him a big kiss!

How many of you have heard of Raymond Kurzweil, *Singularity University!* About ten years (actually 2008) ago I gave two Feast of Tabernacles messages on *Singularity is Near*. Singularity is human mind and ability/machines and digital things. Now it is genetics!

Think about it. You get artificial intelligence. They're already making artificial robot men and women to cohabit with the opposite sex. That's already there.

Article: **Ray Kurzweil Predicts Three Technologies Will Define Our Future** by

Svets McShane and Jason Dorrier, April 19, 2016
{<https://singularityhub.com/2016/04/19/ray-kurzweil-predicts-three-technologies-will-define-our-future/>}

This post will explore three technological areas Kurzweil believes are poised to change our world the most this century.

Genetics, Nanotechnology and Robotics

artificial intelligence

- The genetics revolution will allow us to **reprogram our own biology.**
- The nanotechnology revolution will allow us to **manipulate matter at the molecular and atomic scale.**
- The robotics revolution will allow us to **create a greater than human non-biological intelligence.**

Genome sequencing: It used to cost hundreds of millions of dollars. Now they can do it for a thousand or less.

Article: **GP-write 5.0**, Oct. 21, 2021 Virtual Conference

The field of genome engineering is progressing at warp speed.
{<https://engineeringbiologycenter.org/2021meeting/>}

They were starting some of this way, way before, but even if you go back 50 years this would be almost unthinkable. But now it's getting commonplace.

Gen. 11 is a good example of how the Word of God is always, *always*, **always** true!

Genesis 11:1: "And the whole earth was of one language and one speech."

What do we have today for that? *English!* We're almost there again.

Verse 2: "And it came to pass, as they

traveled from the east, they found a plain in the land of Shinar. And they settled there. And they said to one another, 'Come, let us make bricks and burn them thoroughly.' And they had brick for stone, and they had asphalt for mortar. And they said, 'Come, let us build us a city and a tower, *with its top reaching into the heavens*'" (vs 2-4).

Was their past before the Flood space flights? Remember that Jesus said that *as it was in the days of Noah, so shall it be in the days of the coming of the Son of man!*

Watch Ancient Aliens; there have been demonic and angelic leading of people into a lot of strange and difficult things. How did they build the cities of Peru that were 12,000 feet high. Look at those stones; how did they do that? How did they make them fit? How have they stayed there? *Nobody knows!* Even the technology today can't figure it out.

"...And let us establish a name for ourselves, lest we be scattered upon the face of the whole earth.' And the LORD came down to see the city and the tower, which the children of men had built. And the LORD said, 'Behold, the people *are* one and they all have one language. And this *is only the beginning of what they will do—**now nothing, which they have imagined to do, will be restrained from them***'" (vs 4-6). *We are at that point!*

If Jesus were not to come back, we would be an extinct planet!

Verse 7: "Come, let Us go down and there confuse their language, so that they cannot understand one another's speech."

These are featuring the key speakers. This is at a high level scientifically in universities, in government, in special medical labs. They're all funded by the government.

The field of genome engineering is progressing at warp speed, transforming the way scientists execute large-scale genome modifications and evolution of biological function....

It's not evolution! If you intervene and change it, that's not evolution! That is re-arranging.

...Advances from this field are mapping vast genotypes to complex physiology and disease, enabling the reprogramming of cellular behavior, and realizing applications for gene therapy....

- Is the Wuhan vaccination a first step?
- Why do they want to get everyone vaccinated?

There's got to be a reason that they're not telling

you! The very companies that made this, some of them are into designing these re-engineering things.

...Collectively, genome writing technologies are ushering in a new era in which precise genomic manipulation is becoming feasible across diverse organisms.

Let's see what else they want to do. If you think that trying to censor everyone, and censor all of their speech is bad, listen to this:

Article: [A Leap Toward Humanity's Destruction](https://thetruthr.com/2021/07/19/a-leap-toward-humanitys-destruction/) by TS, July 19, 2021
{<https://thetruthr.com/2021/07/19/a-leap-toward-humanitys-destruction/>}

The overriding question is: Will we allow ourselves to continue to be manipulated into allow transhumanism and eugenics...

Remember what Hitler wanted to create? *A super race!* What did he want to do with all the 'sub-humans'? *Put them in slavery or kill them!* These people at this high level, and it's all done in secret, you don't know it until it's a finished product and there it is!

Will we allow ourselves to continue to be manipulated into allowing transhumanism and eugenics to be openly pursued and normalized, including through initiatives like those of Wellcome Leap that seek to use babies and toddlers as test subjects to advance their nightmarish vision for humanity?....

They want to test children!

- How are you going to test children? *You put them into the government's hands!*
- What is Biden proposing today? *Get all the children when they're two and three and have them babysat by government people!*
- What are they going to do that they won't tell you? *First of all they're going to program them to have demonic thinking like they do!*

I don't know if you saw the special where Jesse Waters—Waters' World—went out and he was interviewing students who are going to the university. He asked: What do you think of America? *I'm ashamed of it!* That's what they're taught in the universities.

- How are you going to get rid of all of those professors? *You can't line them all up and shoot them!*
- How are you going to get rid of them?

I'll let that question hang!

...like those of Wellcome Leap that seek to use babies and toddlers as test subjects to advance their nightmarish vision for humanity? If well-crafted advertising slogans...

- *we'll make your children better*
- *we'll make your children smarter*
- *we'll make your children so they won't get sick and have disease*
- Don't you think that's a wonderful thing?
- How many people will go for that?

'Yes, do that, yes! yes! We'll even pay you for it.' *That will be just fine! **NO!** God gives you children and:*

- *you* train them
- *you* teach them
- *you* make sure that they have what is right

I tell you what, today all those who are home-schooling, you're well ahead of protecting your children. Your children are well ahead in their education because they're learning how *to read, write, do arithmetic and think!* With the government, they won't!

If well-crafted advertising slogans and media campaigns painting visions of utopia such as "a world without disease" are all that is needed to convince us to give up our future and our children's future to military operatives, corporate executives, and eugenicists, then there is little left of our humanity to surrender.

Remember that every evil has a good. What did Satan tell Adam and Eve? *I'll give you a benefit!*

Do you want to be like God, eat this fruit. Try it, you'll like it; it won't hurt you. Looks good, smells good, tastes good. Here, Eve, take a bite and take it and give it to Adam.

Everything is coming down, and here's what they want to do.

Article: [PCR Testing and the Genome Beast](https://beforeitsnews.com/eu/2021/06/pcr-testing-and-the-genome-beast-2673859.html)

June 26, 2021 {<https://beforeitsnews.com/eu/2021/06/pcr-testing-and-the-genome-beast-2673859.html>}

...we may say that fantasies are both breathtaking and very dark....

In other words, they're satanic!

...He... [Professor Dominick Cummings] ...clearly speaks of the idea that people can and will be changed...

Genetically! Think of that!

...re-engineered and ‘improved.’....

Doesn’t that sound good?

...By implication, we can discern that there is no room in Cummings’ world for the weak and vulnerable....

No, because everyone will be so inured in their feelings that killing them will be nothing!

...And if people can be integrated with computers and AI, then so much the better.

- How far is this getting along?
- What is a ‘white paper’? *An area dike inside society to report to all the people the same way.*

Then after they all approve it and give everything that they have, then they bring it to the government to start implementing and being paid for it.

...the World Economic Forum’s white paper of June 2020 entitled Genomic Data Policy Framework and Ethical Tensions...

How are we going to do this? Well, they’re already developing the laws. This is in Britain, but they’re doing it in America, China, Europe, and who’s to tell what the Germans are doing in their underground tunnels that they have in Germany.

...and the World Health Organisation’s Report of the Advisory Committee on Health Research 2002.

Here’s the key paragraph:

Ultimately, our research touches on even wider plans for the ‘benefits’...

Remember: ***God gives blessings! Satan gives benefits, which look like they are good, but they are evil!***

...of genome sequencing and editing: Behavioural Insights...

This was a paper that was written

...where people can be re-engineered...

Change your genetic makeup

...to have the right thoughts...

- What is a *right* thought?
- Who is to determine what a *right* thought is?

To a killer, killing people is a right thought!

- What if your experiment went wrong and you have created a bunch of people who were animalistic and savage?
- Now what are you going to do? *Oh, we*

made a mistake!

May they turn on their creators and take care of them!

...emotions and behaviours...

Who is going to determine that? *All of these people at the top level, who all openly worship Satan the devil!*

Remember how many times I’ve told you that the elite of the world worship Satan the devil. Where do you find them?

- in Davos
- the UN
- in every level of every government in the world

in varying degrees of Satan worship!

What does it say in Rev. 13? *They worship the devil!* Think about it, if you’re not worshipping the true God, then whatever ‘religion’ you have, it’s not of God. ***If it’s not of God, it’s of humans and Satan!***

Look at all of the religions in the world before; all demonic, all satanic, all child-sacrifice—***satanic!***

...right thoughts, emotions and behaviours, including their being suitably politically aligned in these areas.

In other words, you will be pre-programmed if you’re to be a governmental official. ***You will toe their line!***

There are many other things that we could get into, so just think about this: think about Rev. 9 about how these men are described.

Why is God raising up China the way He is right now? *Because He must fulfill the prophecy of Rev. 9, of the armies of 200-million stringing all the way back to Asia!* And in Rev. 16. God is going to use that army as a punishing arm in His hand. ***It’s going to be evil! It’s going to be deadly!***

The next time you watch the news with all these Chinese soldiers marching, think of it; it’s coming! They’re waiting and want to fight and war. God is raising them up as punishment for the world, but also to fulfill His prophecy to bring all nations to the Holy Land.

Joel 2:1: “Blow the ram’s horn in Zion, and sound an alarm in My Holy mountain! Let all the inhabitants of the land tremble, for the Day of the LORD comes, for *it is* near at hand— A day of darkness and of gloominess, a day of clouds and of thick darkness. As the morning *is* spread across the

mountains, **so comes a great people and a mighty people; there has never been the like...**” (vs 1-2).

Chinese leader Xi Jinping is Genghis Kahn II!

“...nor shall there ever be again, even to the years of many generations. A fire devours before them, and behind them a flame burns. The land *is* as the Garden of Eden before them, and behind them a desolate wilderness—and nothing shall escape them. Their appearance *is* as the appearance of horses; and as war horses, so they run. They shall leap with the noise of chariots on the tops of mountains, with the noise of a flame of fire that devours the stubble, like a mighty people set in battle array: (vs 2-5).

Verse 6: “In their presence the people shall *greatly* tremble; all faces shall grow pale. They shall run like mighty men. They shall climb the wall like men of war, and they shall march each one in his path, and they shall not break their ranks. And each one shall not crowd another; they go every one in his *own* path. And when they fall upon the sword, they shall not be wounded. They shall run to and fro in the city; they shall run upon the wall; they shall climb up upon the houses; they shall enter in at the windows like a thief. The earth shall quake before them; the heavens shall tremble. The sun and the moon shall grow dark, and the stars shall withdraw their shining” (vs 6-10).

Think about that army and think about China! ***It's being raised up!***

As I brought out last year at the Feast of Tabernacles, they are going to be so powerful that even though right in the Holy Land. Though the army will be destroyed, there will still be armies back in China and seven years into the Millennium they're going to come and try to get the Holy Land again! ***Gog and Magog and all the tribes with them! That will be the last destruction of China!***

Think about what's going on in the world, think about how it's coming down, and why we need to stay close to God. Pray for one another and pray that God will help all the churches and brethren, because we're going to be facing some horrific things coming down the road.
